- We take care of your kids. Uninsured? MC+ for Kids provides first-rate care that every child deserves – immunizations (shots), screenings, testing and treatment.
- We lend a hand. Need help working through a personal problem? We'll find the best counselors and treatment programs to help get you back on track.
- We go the extra mile. Need a ride to your medical appointment? We'll take care of the transportation.

We offer prescription services, vision and dental care, too.
